Sub:-Regarding submission of provisional registration

Sir/Madam,

You are here by requested that all students entering as intern in your college/hospital for doing compulsory rotatory internship, you may allow them to start internship on the basis of application number of RMC for provisional registration, but candidate should procure a valid provisional registration from RMC within a month of starting their internship & submit it to your institution, failing this there internship would be extended from the date of valid RMC registration.

This notice is also posted on RMC website for students reference.
